Ben,

What funding action are you referring to? How much?

This isn't helpful at all, and if the individual is looking for travel monies to support you, when was this request submitted and to whom?

Subject: Status of FWS IA fund request

Ben,

I'm scheduled to be in DC next week and will be meeting with Holly. Has there been anymore discussion or action on the proposed funding of my support to R6 Superfund? I know Holly will want to discuss workload management and I'll need to know if I should factor in support of the 3 EPA projects (Tar Creek, Delta Shipyards and Wilcox Oil).

Thank you,

Barry
